

# Affordable Pricing for ALL Schools

Developed by teachers, for teachers, USATestprep has been the leading low-cost provider of state standards-aligned resources for more than 20 years. Our rigorous, teacher-developed item bank has helped schools and districts across the nation improve student achievement on EOC and EOG testing, as well as being used in the classroom for daily activities. Request a quote and see what a difference low-cost can mean for your school.

**\$425 per course, per year: Unlimited access with no hidden fees, no “unlock” charges, and no additional cost per student.**

## DISCOUNTS:

**District Discounts:** Districts purchasing thirty or more courses earn an additional 5% to 15% in savings and may be eligible for free on-site training.

**Other Savings:** We offer discounts for multi-year purchases as well as ongoing seasonal and promotional discounts.

## BUNDLES:

Enjoy discounts of 5% to 20% with any combination of five or more courses. *Receive 25% to 50% discounts for "All Inclusive bundles for elementary, middle, and high schools.*

# of Course Licenses	% Discount
1 - 4	0%
5 - 8	5%
9 - 12	7.5%
13 - 18	10%
19 - 24	15%
25 + Licenses	20%

“This is a GREAT resource for distance learning, as well as in the classroom setting. It is aligned to our state standards and teachers can see real data and then use it to create meaningful and relevant lessons.”

-Maygen Ward, Houston Middle School, MO
