

High School Bundles

Work with our team to mix and match courses to create the perfect bundle for your school or district needs! All bundle prices cover 12 months of access to our state standards-aligned resources for everyone at your school.

Our most popular bundle options are below:

High School Spirit "All Inclusive"

The school spirit bundle offers "equitable access for all students," centralizes training across all teachers, and offers universal support. This bundle entitles you to a 50% discount.

Test Achievement

Schools and districts tapping into our test achievement bundle can focus on pure test preparation targeted to state-specific end-of-course and end-of-grade assessments.

Subject Mastery

For each of the four core subjects -- ELA, Math, Science, and Social Studies -- we offer our complete catalog. This bundle works best for schools that seek improvement in a given subject. It allows for easy remediation with resources from lower grade levels and enrichment resources for higher achieving students.

College & Career Readiness

Our college and career readiness bundle is designed to give schools and districts the complete set of resources that students need to work their way toward college and beyond.

# of Course Licenses	% Discount

This program is the best I have used in 14 years of teaching. This more than prepared my students as well as allowed them to track their own progress for self-evaluation. I would highly recommend this product to other educators!"
